

Internal Verifier Standardisation Plan

Training for People that Care

- With Training for People that Care being a new Training provider, we are committed to working very hard to ensure a high standard this year. This is why we agreed for 100% of sampling in our first year.
- Standard meeting will be every month which will be record and shared with the Awarding Body.
- Student Voice will be taken every month for development and planning
- Observation on Assessor will be record once a term.
- All qualifications will be standard units by accordance with the Qualification Specifications.
